# YOU CAN MAKE THE DIFFERENCE IN OUR COMMUNITY

## Helping people in our community has been our focus for 50 years.

Each year thousands come through our doors looking for help from one or more of our 90 programs. When we see members of our community in need, we aim to provide them the best support possible, empowering them to thrive in their own lives.

## Your sponsorship allows us to do valuable and needed work in our community.

- Young moms and dads come to us for support and learn how to effectively parent and care for their growing families
- Newcomers come to us for help with English language classes and support as they settle into their new home
- Seniors come to us to participate in fun and friendship at weekly gatherings, or to find information and resources
- Women and children come to us who have experienced the trauma of sexual abuse or domestic violence and need help with counselling and court procedures
- And so many others looking for help
